

**THE CORPORATION OF  
THE TOWNSHIP OF ST. JOSEPH  
COUNCIL MEETING  
ADDENDUM TO THE AGENDA  
FOR  
WEDNESDAY, JUNE 4, 2014**

**1. Correspondence**

- 1-7 a. Seniors and Disabled Persons Advisory Committee Receive  
Re: Minutes from the meeting held May 13, 2014
- 8-9 b. Letter from Algoma Manor Agree  
Re: Rural Community Wellness and Fitness Centre Survey
- 10 c. Blind River District Health Centre Receive  
Re: Annual General Meeting discussion papers
- 11-12 d. Letter from Ontario Good Roads Association Decision  
Re: Funds remaining from the MMS court challenge required
- 13 e. AMO Gas Tax Administration Allocation

Recommendation: That the Addendum Correspondence listed herein be received;  
and  
That Algoma Manor be advised that the Township will participate in the survey;  
and  
That OGRA be advised that the Township wishes their portion of the funding to  
be retained for future use.

**2. Closed Session**

Recommendation: Be it resolved that Council proceed into Closed Session in  
accordance with Section 239 of the *Municipal Act* in order to address matters  
pertaining to an identifiable individual.

Recommendation: Be it resolved that Council does rise from Closed Session at  
\_\_\_ p.m. and that staff be directed to take

**Seniors and Disabled Persons ADVISORY COMMITTEE Meeting Minutes  
Tuesday, May 13, 2014**

**IN ATTENDANCE:** Barb Jackson, Jim Robinson, Lorraine Aelick, Sally Wismer, Sandy Palandra, Girlie Collings, Nicolette Dingman, and John Hyndman

**From Staff:** Carol Trainor, Ruthie Stewart, and Melinda Thomas

1. **CALL TO ORDER:** Barb Jackson called the meeting to order at 10:30 AM.

**REVIEW OF PAST MINUTES:** Moved by Lorraine Aelick, seconded by Jim Robinson, "that the agenda for today's meeting of the Seniors and Disabled Persons Advisory Committee be accepted as printed". All in favour. Carried.

Moved by John Hyndman, seconded by Nicolette Dingman, "that the minutes of the meeting of the Seniors and Disabled Persons Advisory Committee held Tuesday, April 8, 2014 be accepted". All in favour. Carried.

2. **BUSINESS ARISING FROM LAST MEETING MINUTES**

- a. **Eaves Trough:** Jim Robinson recommended installing seamless eaves troughing around the building to prevent potential damage that could be caused by water seeping under the slab. Jim offered to get two quotes and report back at the next meeting.
- b. **Accessibility Training/Dates:** The Program Coordinator reported that Jennifer Woods had sent a list of available dates for the Accessibility Training at the Township office. These dates will be published in the June Volunteer Newsletter.

It was suggested that the confidentiality statements could be given out at the time of the training, although nothing was decided. The Clerk Administrator mentioned that she was busy for most of the month of June and may not be available if needed to assist with the Freedom of Information and Protection of Privacy information, if that was added to the agenda.

3. **REPORT FROM PROGRAM COORDINATOR**

- a. **Business Case One:** The Program Coordinator reported that she has not been able to balance the budget for council without the additional funds from LHIN. She added that she did create a budget with Pre-Business Case and Post-Business Case columns but did not present it at today's meeting because she felt it would be too time consuming to review.

The Program Coordinator reiterated that we cannot operate the programs on the current budget and will have to consider cutting some services if the additional funds from LHIN are not forthcoming.

The Program Coordinator reported that the Business Case One was her priority and will be submitted to LHIN as soon as the Treasurer has reviewed the draft.

- b. NOHFC 90% Funded Intern for One Year:** The Program Coordinator reported that the NOHFC (Northern Ontario Heritage Fund Corporation) has money available to fund 90 per cent of the cost for a full-time, 35 hour per week intern. She added that we would be responsible for 10 per cent of an intern's wages, as well as, approximately \$8,000 in benefits. If approved, the intern would be hired to run the Transportation program, carry out community engagements, and prepare a proper Business Case to LHIN for funding for a Homemaking program. The application has been reviewed by the Clerk Administrator and is ready to go.
- c. Council Support of Senior Services:** The Program Coordinator reported that she had spoken to council last Wednesday to tell them what was going on and to seek their approval for the NOHFC application. She added that council was very supportive and understood that there were many needs that have to be met to keep seniors in their own home. The Clerk Administrator confirmed that council was happy with everything that the Program Coordinator was trying to accomplish.

#### 4. FINANCIAL UPDATE

**Statement of Revenue and Expenditures – April 1, 2014 to March 31, 2015:** The Program Coordinator reported that she was not presenting a Statement of Revenue and Expenditures at today's meeting because the numbers would not populate correctly without a budget. She did prepare a list of expenditures for the month. There will be a Statement of Revenue and Expenditures at the next meeting based on this year's budget.

**Quarterly Reporting:** With the Treasurer now helping out with the quarterly reporting, the Program Coordinator feels that this will be an opportunity for her to get our reporting straightened out, especially on the statistics where she wants to be able to report the work that the Dr. Trefry Centre has been doing more accurately and comprehensively.

The Program Coordinator explained that it would help our numbers and funding if we could get the necessary approval from LHIN through the Business Case One, to be able to report as Foot Care, Senior, and Crisis and Case Management Functional Centres, as we do now with Friendly Visiting.

Furthermore, the Program Coordinator has discovered that each meal we send out is actually counted statistically as two meals because two sides (soup and dessert) count as one meal as

well. Therefore, the number of meals that will be reported this quarter will be almost double compared to the last reporting period.

**Investment:** The Program Coordinator presented a current investment report prepared by the Treasurer that may have a few small changes.

## 5. COMMITTEE REPORTS

- a. **Day Out Program / North Shore Sentinel Write-Up:** Nicolette Dingman reported that she was very pleased with the North Shore Sentinel's article, complete with pictures, highlighting the Day Out program's field trip to Gilbertson's Pancake House, as well as the article on our services. The Program Coordinator added that the articles attracted inquiries and possibly three new clients for the Bruce Mines program.

Nicolette reported that there were currently 3 regular clients attending Bruce Mines, 7 regular and 2 casual clients attending the Thursday program, and that the Coffee Connections get together was fun and being well attended.

The Program Coordinator reported that there was a potential new Day Out volunteer and that volunteer Susan Kerr had returned after being away for the winter to help out on Thursday.

- b. **Congregate Dining / Diners (Can't miss!) / Potluck:** Melinda Thomas reported that there were originally 143 reservations or 18 tables for the April 29<sup>th</sup> Diner's Club with 125 actually attending. She added that most of those who were unable to attend that day did call back to let us know. Jennifer Woods was the guest speaker and was able to motivate 99% of the Diner's into a 10 minute exercise routine during her presentation.

The next Diner's Club will be held on Tuesday, May 27, 2014. The entertainment will comprise of a humorous skit by Girlie Collings, Beth Bruce and Suzanne Evoy and a ten minute presentation by Robert Kerr on the Lions Club Foundation's Purina Walk for Dog Guides coming up in June.

Melinda reported **Potluck** was held on Tuesday, May 6 with 12 people attending. The next Potluck will be held on Tuesday, June 3 at noon.

- c. **Friendly Visiting / New Tracking Sheet for Everyone to Use:** The Program Coordinator reported that she had designed a record sheet for the Friendly Visiting / Telephone Reassurance program for staff and volunteers to use. She asked the Seniors and Disabled Persons Advisory Committee to also start keeping track of their visits on this form as possible, which will then be added to the statistics at the end of each month.
- d. **Home Maintenance:** Melinda Thomas reported that a Home Maintenance reimbursement form was sent to the Township office on April 30, 2014 in the amount of \$1,739.21 with \$316.50 for housekeeping, \$73.50 for yard work, and \$1,349.21 for snow removal. In this batch, there were 7 clients who went over the 15 maximum cleanings by a total of 19.

Currently, we have received 8 new disbursement forms for the next quarterly home maintenance reimbursement. Outstanding is \$616.50 for housekeeping, \$30.20 for yard work and \$731.50 for snow removal for a total of \$1,378.20. With the paperwork received to date there has been a total of 32 additional snow cleanings over the maximum allowed. Melinda added that she has had only one complaint so far from a senior with regards to the quarterly reimbursement.

John Hyndman mentioned that his 19 year old grandson was available to hire for yard work if there were any seniors looking for a service provider this summer.

- e. **Homemaking Development:** The Program Coordinator reported that what was really needed to move the Homemaking program forward was for one person to do the in-depth research on government provided homemaking programs, and then take that large amount of information and put it into an organized format for the Business Case.
- f. **Meals on Wheels / More Bags Ordered:** The Program Coordinator reported that she had ordered four additional large MOW delivery bags for a great price of \$40 each. The extra bags are meant to help make the bag preparation and pick-up process more efficient and should eliminate the weekend work that Melinda has had to do to prepare for Monday's delivery.

The number of meals was still averaging between 18 and 20.

A new volunteer has signed up to work in the MOW kitchen.

- g. **Personnel:** Jim Robinson had nothing new to report on personnel and added that he appreciated Ruthie keeping him up to date.
- h. **Seniors Barbeque (June 10) / Food Sign-up / Barbeques / Plaques / Photographer / Etc.:** Lorraine Aelick reported that everything was ordered for the barbeque. She advised that the Program Coordinator had already picked up the condiments and pop when the St. Joseph Island Market was having their 30 per cent off sale. Girlie Collings confirmed that she will pick up the pre-ordered meat, buns and onions at Dinelles in Echo Bay at 8:30 AM. Girlie also agreed to order 2 tubs of vanilla ice cream from Lock City Dairies to be delivered to Ambeaults. It was decided that little cups and spoons will be used for the ice cream.

The barbeques will be provided by the Aelick and Vernelli families and manned by Bob Aelick, Nick Palandra and Vince Vernelli.

The food contribution list is as follows by Committee member:

Lorraine Aelick – carrot salad	Girlie Collings – broccoli salad and dessert
Janet Coutu – broccoli salad and dessert	Nicolette Dingman – 10 #'s potato salad
John Hyndman - coleslaw	Barb Jackson – 10#'s potato salad and desserts
Sandy Palandra - 10 #'s potato salad and dessert	Jim Robinson – 2 desserts
Vince Vernelli – coleslaw	Sally Wismer – fruit tray and vegetable tray
Ruthie Stewart – dessert	Melinda Thomas – broccoli salad

Set-up time at the Legion begins at 9 AM. The boot vases will be used for centrepieces again this year and everyone was asked to bring a bunch of fresh flowers to help fill them.

The entertainment begins at 11:30 AM. The Program Coordinator has not been able to get a hold of Teresa Parker to ask her to be the photographer and wondered if anyone knew of a possible back-up. The Program Coordinator has emailed all the Townships and only heard back from two. She added that Plummer Additional will be participating this year.

- i. **Seniors / Walking:** Sally Wismer reported that they were having a wind up lunch on Wednesday, May 14<sup>th</sup> at the Legion for the Nordic walking group. Sally complimented Jennifer Woods on her wonderful outgoing personality, good listening skills and comfortable relationship with the seniors.

The Clerk Administrator advised that Jennifer was quite sick and would not be at work on Wednesday.

- j. **Transportation:** Melinda Thomas reported that April was a very busy month for the Transportation program. There were 21 clients who used the Transportation program. The total disbursement in April to the 14 volunteer drivers was \$2,264.60.

Trips to SSM included 14 from Richards Landing, 2 from the foot of St. Joseph Island, 10 from Hilton Beach, 3 from Desbarats, and 5 from Echo Bay. Trips to Richards Landing included 7 from Echo Bay, 6 from Desbarats, 2 from Foot of St. Joseph Island and 3 local. There were not any rides from Laird this month.

On average, there are usually each month around 60 units (26 round trips or 52 units and 8 one-way). In April, there was a total of 105 units (or 42 round trips or 84 units and 21 one-way).

The Program Coordinator reported that a second person from Thessalon has come forward to volunteer for the Transportation program.

- k. **Volunteer Appreciation / BPA-Free Reusable Water Bottles:** Sandy Palandra showed a sample of the BPA-free, reusable water bottle that will be this year's gift to the volunteers. The bottle has our name, logo and slogan on one side and the two sponsors (Farquhar Massey Wholesale and St. Joseph Island Market) on the other. The gift will be presented to the volunteers at the Accessibility Training session.

The Program Coordinator reported that she had not yet received confirmation from the new owners of the St. Joseph Island Market regarding sponsorship of the water bottles.

- l. **Health Week Luncheon / Organization:** Barb Jackson thanked Melinda Thomas for the wonderful job in getting the Health Week display tables together. Melinda reported that there was a good public turn-out despite the weather. There were some key organizations that were unable to display this year so Melinda plans to send them next year's date now so they can mark their calendars. Sally Wismer mentioned that we need to make sure that the blood pressure clinic is there next year.

- m. **Community Night July 25, 2014 – Start Thinking:** Barb Jackson recommended putting a committee together to plan the float for the Richards Landing Community Night being held on Friday, July 25<sup>th</sup>.

## 6. LHIN Expansion / Adjustment Requests / Follow-up

**Home Maintenance New Sliding Scale (Copies of Red Cross to review attached):** The Seniors and Disabled Persons Advisory Committee were given a copy of the Home Maintenance subsidy sliding scale and the Red Cross Home Maintenance scale for review and comparison. The Program Coordinator pointed out that the Red Cross 70% subsidy rate was an interesting idea of providing a higher subsidy for the more needy clients. She did feel however that it costs more to live rurally than in the city and was not in favour of eliminating our 5% rate as was suggested previously by Carolyn Cybulski, CSS System Navigator.

After a brief discussion, Barb Jackson recommended moving the Home Maintenance New Sliding Scale to the July meeting agenda where there will be more time to devote to this important issue. Barb asked Committee to look over the two scales and come back with some suggestions.

**Transportation Area Expansion Interest Update:** The Program Coordinator reported that she was looking into prices for a van with the hope of having a van with one driver for Business Case Two if the first one is successful.

**Day Out Expansion and Exercise Update:** Girlie Collings reported that 13 people, including one in a wheelchair, were coming out to exercise in Laird. The class had to be cancelled today because instructor Jennifer Woods was sick. The Program Coordinator was advised by the Clerk Administrator to get in contact with the Echo Bay Health Promotion Coordinator with regard to the Laird exercise classes.

Girlie reported that she has spoken with Echo Bay councillor Jean Robins. Jean was quite interested in the Day Out expansion and put a notice in their newsletter. The Program Coordinator said that she has not received any feedback yet. Barb Jackson felt that there needed to be a list of interested people for the Day Out program first before trying to obtain the money from LHIN.

## 7. CORRESPONDENCE / COMMUNICATION

### In-Coming

**No Homemaking Services from CCAC for NEEDY Individual** – The Program Coordinator received a written reply from CCAC stating there is a clear need for homemaking services.

**Change Foundation Forum on May 1 Attended** – The Program Coordinator was asked by Natalie Atkinson of LHIN to attend the forum about client involvement which was well attended by the various health care sectors. Ruthie felt that because of the way the Seniors and Disabled Persons Advisory Committee was set up that we were already doing a good job hearing what was being said within our communities.

**PSW Wage Increase Announcement, Rise to Minimum PSW Wage of \$16.50 over the next few years.**

**Terry Caporossi, Director, Alzheimer's Society, Confirmation that area increase needed.**  
Terry Caporossi called to find out more about our programs and because feels we need to expand our programs to include Bruce Mines to promote consistency.

### **Budget / Election**

#### **Out-Going**

**Business Case Draft One to the LHIN** – The Program Coordinator was advised by Committee to collect letters of support from the various organizations to accompany the Business Case One. Ruthie thanked the Clerk Administrator for all her editing help.

**Mileage Rate Comparison** – The Program Coordinator reported that the OCSA compiled community organization rates for mileage reimbursement and came up with an average rate of \$.43 per kilometer which is comparable to our rate. The highest rate given was \$.52 and the lowest was \$.32 per kilometer.

**Community Assistance Trust Program in Sault Ste. Marie** – The Program Coordinator wanted Committee to be aware that the CAT is a resource for emergency assistance in the case of the threat of eviction and home heating or utilities disconnections, eyeglasses, and advance funds for the Northern Health Travel Grant.

### **8. NEW BUSINESS**

- a. **Shout Out to Lorraine Aelick** – “Thank you for faithfully representing our seniors and disabled at council and for all you do to see these individuals receive the services they need and deserve. We are lucky to have you.” *Ruthie Stewart*
- b. **Thank you to Ruthie Stewart** – Carol Trainor thanked Ruthie for all her hard work, noting that putting the Business Case One together had been a very long process and she had done a great job providing a tremendous amount of detail.

John Hyndman added a big thank you as well.

9. **NEXT MEETING:** Tuesday, June 3, 2014 at 10:30 AM (one week earlier due to seniors barbeque).

10. **MEETING ADJOURNED:** 12:05 PM

I hereby certify that the foregoing is a true and correct copy of the approved minutes of the Seniors Advisory Committee meeting held on the 13<sup>th</sup> of May 2014.

**May 13<sup>th</sup>, 2014**

**Re: Rural Community Wellness & Fitness Centre**

**Objective:**

**To complete a survey within the rural communities.**

The survey results will validate the possibility of creating a Rural Community Wellness and Fitness Centre.

A survey will be conducted and the results will be presented to the mayors of the rural communities.

Approval will be needed to move to the next step of developing a feasibility study.

**Steps:**

- 1) Contact CASS for students to conduct phone calls
- 2) Develop a survey questionnaire with the assistance of Dr Gayle Broad
- 3) Obtain the total population and number of households for the rural communities
- 4) Develop a script for the students to use for the phone calls
- 5) Schedule a 1 hr. training session for the students
- 6) Schedule a 4hr. session ( 2 evenings) for phone calls to complete the survey

The following Communities will be included in the survey process:

Huron Shores - population 1632; households 1338

Town of Thessalon - population 1293; households 624

Plummer Additional, Township - population: 625; households: 515

Bruce Mines - population: 588; Households 309

Johnson Township - population 583; households 507

Macdonald, Meredith, Aberdeen - population 1413; households 768

St. Joseph. Township – population 1122; households 938

Tarbutt & Tarbutt Additional, Township – population 407; households 399

Hilton Beach, Village of – population 173; households 158

Hilton, Township - population 234; households 341

Laird, Township – population 997; households 524

Jocelyn, Township – population 246; households 507

145 Dawson Street  
Thessalon, ON  
P0R 1L0  
T: (705)842-2840  
F: (705)842-2650

---

Dr. Gayle Broad has offered to complete the following:

- 1) Revise the current survey questionnaire
- 2) Develop a script for the students
- 3) Prepare and Conduct a training session for the students
- 4) Review the results of the survey

**Time Frames**

*Extended to June 15.*  
**June 2<sup>nd</sup> and June 3<sup>rd</sup>** – Conduct the training session followed by the phone calls to households – complete survey  
**(5PM to 9PM)**

Schedule a meeting with the mayors – end of June to review results

**To:**  
**Cc:** Danielle Vaux; Wolf Kirchmeir (BRDHC); Gaston Lavigne  
**Subject:** BRDHC - AGM & Proposed By-Law Amendments  
**Importance:** High

Good Afternoon,

The Blind River District Health Centre is planning to hold its Annual General Meeting on June 17<sup>th</sup>.

As part of the agenda items, the proposed by-law amendments will be brought forward for discussion.

All Corporate Members will be receiving notice of the AGM by letter-mail, however, with well over 100 members, it is not feasible for the Health Centre to forward a paper copy of the proposed amendments & explanatory notes to each member.

We have indicated in our letter to the members, that a hard copy may be accessible at their Municipal offices. We are hoping that you are agreeable to keeping 1 paper copy of the attached documents on hand should a Corporate Member require access to them.

The information will also be made available on our website at [www.brdhc.on.ca/trustees](http://www.brdhc.on.ca/trustees) ; however, not all Corporate Members have access to a computer.

Thank you for your co-operation with this initiative. If you have any questions, please do not hesitate to contact me.

Melanie

April 30, 2014

Township of St. Joseph  
P.O. Box 187, 1669 Arthur Street  
Richards Landing, ON P0R 1J0

Attention: Jody Wildman,  
Mayor

Dear Mayor Wildman:

In 2010 an application was filed with the Superior Court of Justice to have the Minimum Maintenance Standards (MMS) declared null and void. In June, 2010 the Ontario Good Roads Association appealed to our members for a contribution to a litigation fund so that OGRA could hire counsel and seek intervener status in the suit. As reported earlier this year, we were successful and the action was dismissed. OGRA once again wishes to thank those municipal and corporate members who contributed to the fund.

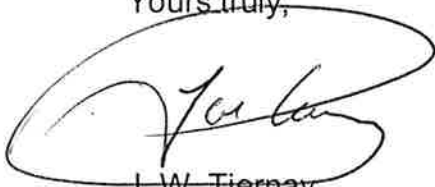

In the original appeal we stated that *"any funds not used will be refunded back to contributing municipalities on a pro-rated basis"*. Of the \$455,000 raised almost 50% was expended in successfully defending the MMS, with approximately \$228,000 remaining in the fund. OGRA wishes to make good on its promise and is offering to refund back to each contributing organization a share equal to 50.1% of the amount contributed. Based on your original contribution of \$113.00, your share of the fund will be \$56.61.

While we are pleased to honour this refund we would also ask that you seriously consider leaving your funds in the reserve. Our past success does not mean that the MMS will not be challenged in the future, and in fact many experts suggest that it is not a matter of "if" another challenge is launched, but "when". If you would prefer to forgo your refund, OGRA will commit to retain all funds in our MMS Litigation Reserve and use those funds solely for the purpose of defending future actions against the MMS.

Please let me know how you wish for us to handle your share of the fund. In order for OGRA to resolve this matter expeditiously, I would ask that you advise me of your decision within 90 days or by no later than August 1, 2014. If we do not hear from you by this date we will assume that you do not wish to receive a refund and that OGRA can retain the funds in the reserve; we thank you in advance for your gracious support.

Regardless of your decision with respect to the fund, be assured that OGRA is committed to defending the protection that the Minimum Maintenance Standards afford our members.

Yours truly,

A handwritten signature in black ink, appearing to read "J. W. Tiernay", enclosed within a large, loopy oval scribble.

J. W. Tiernay  
Executive Director
