### 2024 DOG LICENCE APPLICATION

The Ontario Dog Owner's Liability Act and the Municipal Act require municipalities to govern and regulate dogs and other animals. As such, The Township of St. Joseph By-law 2017-06 requires all residents who own a dog or dogs to register them by purchasing an annual dog licence. Purchasing an annual licence will ensure your dog is returned to you quickly and safely should it be away from your property and proves to others that your dog is property vaccinated. Also, fines for not licensing your dog are far more costly than the price of the tag.
