ST. JOSEPH ISLAND PLANNING BOARD

REVISED NOTICE OF APPLICATION FOR CONSENT

TAKE NOTICE that the St. Joseph Island Planning Board will meet on Monday, August 16th, 2021 at 7:00 p.m. at the Richards Landing Town Hall, 1211 Richards Street (Hwy. 548), Richards Landing, Ontario to consider an application for consent.

The purpose and effect of the subject application for consent is to permit the severance of a waterlot (land covered by water) lying in front of part of Lot 15, Concession Neebish, in the Township of St. Joseph to permit a lot addition. The parcel proposed to be severed has been revised from the original application and now consists of only the area lying directly in front of Part 5, Plan 1R-9331 which is about 0.25 hectares (0.6 ac.), and is proposed to be added to the adjacent waterlot which is owned by the owner of Parts 4 and 5, Plan 1R-9331. The waterlot parcel proposed to be retained consists of about 6.9 hectares (17 ac.). A sketch showing the revised proposal is attached.

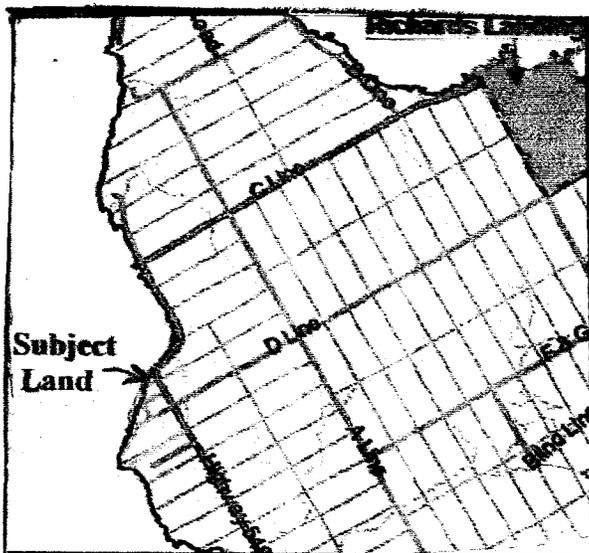

ADDITIONAL INFORMATION regarding the application is available for inspection by contacting the Secretary-Treasurer of the St. Joseph Island Planning Board at the address shown herein.

ANY PERSON may attend the meeting and/or make written or verbal representation either in support of or in opposition to the proposed consent. As a result of the Covid-19 pandemic, physical distancing requirements and gathering limits are in effect. All persons wishing to attend and/or make verbal representation at the meeting should therefore contact the Secretary-Treasurer in advance of the meeting in order to ensure compliance with current regulations. If a person or public body that files an appeal of a decision of the St. Joseph Island Planning Board in respect of the proposed consent does not make written submission to the St. Joseph Island Planning Board before it gives or refuses to give a provisional consent, the Ontario Land Tribunal may dismiss the appeal.
