Draft Minutes
St. Joseph Island Museum Board
Monday September 26th, 2022
Village of Hilton Beach Municipal Office
7:30 pm

Present: Carrie Kennedy-Uusitalo, Tanna Elliott, Steven Adams, Karen Mascardelli, Dianne Holt, Lavera Crack, Dana Stevens, Val Fiegehen, Barry Elliott

Absent with Regrets: Janet Callahan

Agenda: Accepted when amended to include Treasurer's Report by Tanna, seconded by Dana, carried.

Minutes: Accepted when amended to include Steven Adams in attendance by Karen, seconded by Val, carried.

Carrie presented the end of season Curator's Report. She reported how successful the casual maintenance position was this season. Michael Boucher did an excellent job keeping the grounds and completing various maintenance jobs. Carrie recommended that this position remain providing there is budget to do so. She even suggested a slight increase in wage (currently at minimum) and/or hours. Currently the position was 6 hours per week. She listed the jobs that were completed and the jobs that still need to be completed in 2023. The maintenance list for 2023 is rather lengthy and there are a few jobs that will require some additional fundraising.

She reported on the attendance of each of the events held at the Museum and the money that the Museum made. The Teddy Bear Picnic was once again rained out, since this is completely an outdoor event it had a huge impact on the attendance. It was suggested that we look into a plan B whether that is investing in a second large tent or smaller ones in order for attendees to still enjoy the day and remain relatively dry.

She reported on the success of the Copper Art Class with 36 attendees, each paid \$30. Diana Madill charged only for the copper and donated her time. A second class is planned for October 22nd at Old Town Hall in Richards Landing. St. Joseph Township waived the hall fee.

The St. Joseph Island High School Reunion Committee will be donating some sporting memorabilia and offered to cover the cost of having a new wooden case made. John Paterson has taken this on and will complete this project over the winter.

The Museum added a Little Free Library this season, always looking to add features to bring people to the Museum. John Paterson built the library. Carrie has procured many book donations and yearly donors to keep the book box filled with great books.

Carrie is concerned about the age of the fire extinguishers at the Museum. It was suggested to contact the Hilton Fire Department as they had household extinguishers and may have some left.

Carrie reported that last year's fundraising cereal Homesteader's Porridge was a success, though she recommended at present time to suspend it as grain prices have greatly increased due to the war in Ukraine. We can revisit it in future.

A quilt was donated to the Museum by Janet Johnson to try and sell with the total amount to go to the Museum. She realized we are not able to sell tickets so she will donate the quilt and we will try to sell at the Museum over the course of two summers.

Old Business

Signage

The Museum applied for an Ontario Blue sign on highway 17, it was not installed this summer, Lavera will check with Erica if we were billed for this and why it wasn't installed.

Repairs/Maintenance

The Barn roof vents still have to be installed. Greg Duma is working part time, Lavera will contact him to see when this job can be completed. The Barn door needs replacing, this is going to be costly due to rising building costs, it has been suggested to repair as needed in the fall until we can fundraise for fixing it completely.

New Business

With two townships having elections this October, members of the SJI Museum Board may have to re-apply and be appointed to sit on the board. Lavera thanked all members who have served over the past four years for their services and encouraged those that may change positions within their councils to apply for appointment if desired.

Museum closing date, Carrie recommended she needed two weeks to complete winterization of the Museum and to catch up on projects not completed in the summer. She suggested staying on until October 22nd as that is the day of the Copper Art Class. A motion was made to have Carrie's last day be October 22nd, moved by Tanna, seconded by Karen, carried.

Lavera updated the board on the Canada Post Grant, upon further inspection its closing date happened prior to open up. We still have the quotes for the children's activities we were hoping to add to the grounds, those will be saved and we will seek another grant to aid with this.

A local author approached the Museum and wanted to offer her copyright to her book. The Museum would be permitted to print her book and raise funds. She was requesting \$500 for the copyright. It was unanimously decided that we would respectfully decline this offer as we simply do not have the extra funds.

The winners for the “Members Only” draw took place. The prizes, donors and winners are as follows.

1st - \$200 donated by Algoma Power - WINNERS: Dan & Ruth McCarty

2nd - \$100 donated by Manitoulin Transport - WINNERS: Bill & Myrna Vair

3rd - \$100 donated by New North Fuels - WINNER: Diane Tasse

The winner of the Guess the Artifact was also chosen. There were numerous correct answers, the winner was chosen from the correct answers.

The prize was a \$75 gift card donated by Hess Jewellers - WINNER: Monica Ray-Shepherd

Next meeting at the call of the chair.

	FROM:	Amanda Richardson, Clerk Administrator
	DATE:	November 2, 2022
	SUBJECT:	Enabling Accessibility – Funding contribution for Trefry Washrooms
RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Clerk Administrator regarding funding under the Federal Government’s Enabling Accessibility Fund be received, and</p> <p>That Council authorizes a contribution of 20% of eligible expenses towards the project From the Modernization Funding that is in the Working Reserve.</p>	

Background

At the last council meeting a resolution was passed to allow The Trefry Centre staff permission to apply to the Enabling Accessibility Fund (EAF) Grant for up to \$100,000. The funding will allow the Dr. H.S. Memorial Trefry Centre to conduct necessary accessible upgrades to the washroom spaces.

Applications are due October 31, 2022. Upon further investigation the EAF funding requires Municipalities to secure 20% of the total project costs from other funding sources.

Financial Implications

The project’s estimated budget is \$96,071. This would require the Township to contribute 20% or \$19,214.20 with a commitment to cover any cost overruns.

Summary

Council may approve the allocation of funds to the project, defer the decision, or consider other options.

Richards Landing, ON., P0R 1J0

Dear Mayor Jody Wildman and Council Members,

The St Joseph Island Horticultural Society thanks the Township of St Joseph for their generous donations in the past. This year we are requesting a donation of \$300.00 to support our work in 2022.

Every year members volunteer their time to plant and maintain the planters in the downtown area, including the marina. We thank the marina staff for watering the marina and downtown planters. We also plant and maintain the Town Hall beds, the beds at the Water Treatment Plant and the window boxes at the Public Library.

We plant and maintain the beds at the cenotaph. We do receive a generous donation toward the cost of plants for those beds from The Royal Canadian Legion Branch 374, Richards Landing.

We also maintain the "Welcome" bed at Kent's Corners.

Society members are active in the other island municipalities as well.

Though this has been another different year we continue our work to fulfill our motto "Help Keep Our Island Beautiful".

We do get some grant support from the Ontario Ministry of Agriculture, Food and Rural Affairs, but we mostly depend on our fundraising to finance our activities. Thankfully we have been able to have our fundraising activities this year.

The Society expresses our gratitude to Council and the Township employees for all their work to "Help Keep Our Township Beautiful".

Thank you for considering our request.

Sincerely,
Maria Smith, Treasurer, St Joseph Island Horticultural Society,
