	Township of St. Joseph	
	Report To Council	
	FROM:	Susanne Musso-Rains, Manager of Seniors and Persons with a Disability Services
	DATE:	January 18, 2023
	SUBJECT:	Trillium Foundation Resilient Communities Application and Ministry for Seniors and Accessibility Grant for Trefry Swim and Social Program
RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Manager of Seniors and Persons with a Disability Services regarding Trillium Foundation Resilient Communities Application and Ministry for Seniors and Accessibility Grant application for Trefry Swim and Social Program be received; and</p> <p>That council approves staff to apply to both funds for support for the program.</p>	

Background:

The Dr. H.S. Trefry Memorial Centre staff have been developing a program for its clients and community members to participate in physical and social recreation through a supported swim and social program. This program would support registration, transportation and staff supported attendance at a swim and social program at the YMCA in Sault Ste. Marie. The program would run once weekly on Mondays for 24 weeks. For 40 participants per week, transportation and program costs would be \$1,184 per session. The total funding required for the program for 24 weeks would be \$28,416.00. The Seniors and Persons with a Disability Advisory Committee was presented with the program and funding options at their meeting on January 10th.

The Resilient Communities stream of funding from the Trillium Foundation supports organizations to adapt or add a new program and service delivery to meet the changing needs of the community including program implementation. The application is due on February 1, 2023.

The Ministry for Seniors and Accessibility Grant - Seniors Community Grant supports The Seniors Community Grant Program funds local not-for-profit community groups and organizations to deliver projects, supports and resources that help older adults (aged 55+) to: live independently, live with safety and security, stay connected to their community, avoid isolation and achieve greater financial security and social connections.

Financial Implications:

This Trillium Foundation will fund up to 100% of eligible expenses between \$10,000 and \$100,000. The program costs are eligible expenses. The Ministry for Seniors - Seniors Community Grant funds up to \$25,000 and 100% of eligible expenses.

Options:

Council may approve staff to apply for both funds or may defer or deny the request to apply for this funding.

	Report To Council	
	FROM:	Susanne Musso-Rains, Manager, Seniors, and Persons with a Disability Services
	DATE:	January 18, 2023
	SUBJECT:	Funding Application Request - Energizing Life Community Fund 2023
RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Manager of Seniors, and Persons with a Disability Services regarding funding under Hydro One’s Energizing Life Community Fund be received, and</p> <p>That Council authorizes staff to apply for \$25,000 towards the Open Hearts Club Program for youth with disabilities.</p>	

Background

MPP Michael Mantha’s office shared information about Hydro One’s Energizing Life Community Fund. Qualified organizations can submit applications for up to \$25,000 for funding towards initiatives that promote physical, psychological, and emotional well-being.

The Dr. H.S. Memorial Trefry Centre is developing a support program for youth with disabilities called The Open Hearts Club. The program’s mission is to empower and teach youth with disabilities the skills needed for independence while fostering a connection to their community, peer, and their own self-worth. The Senior’s and persons with a Disability Advisory Committee met on January 10th and

The Open Hearts Club will focus on teaching life and social skills to persons with intellectual disabilities who are transitioning into adulthood, moving forward in living independently or have aged out of the education system. Topics will be broken into life skills towards independence, relationships and social development, safety aspects related to finance, security and the online world, as well as practical life skills including hygiene, housekeeping, cooking and transportation planning. The program will have guest speakers from the community, lunch and learns, field trips, and collaboration with other programs and services in our area. The club will include hands on participation, creative exploration, and individualized programming to meet the goals of the group members.

Applications for the fund are due January 31st, 2023.

Financial Implications

Funding of \$25,000 would be applied to the program for staffing, materials and supplies, guest speakers and transportation. At this time, it is not expected that any funding will be required from municipal resources.

Summary

Council may approve the application of funds, defer the decision, or consider other options.

	DATE:	January 18, 2023
	SUBJECT:	Electric Vehicle Infrastructure Program.
RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Community Projects Coordinator regarding Electric Vehicle Infrastructure Program funding be received; and</p> <p>That council approves staff to apply for funding to purchase and install two electric vehicle charging stations in the business area of Richards Landing.</p>	

Background:

The Charged for Change program through financial support from Aviva Canada Inc. offers funding to underserved Communities in the Province of Ontario to install Electric Vehicle Charging Stations.

Communities may receive up to \$250,000 for eligible expenses to complete the project. Eligible communities must have less than 100,000 residents and have less than the provincial average number of charging stations per capita (less than one (1) charging station per 8,610 people).

Previously the Township of St. Joseph released a request for proposal for the supply and installation of charging stations, and a number of locations were identified for future installations. This information can be found in the “RFP Level II EV Charging Stations” document.

Financial Implications:

Eligible expenses include salaries, professional services, capital expenses, license fees and permits, environmental assessments to a maximum of \$250,000. Ineligible expenses include Land costs, legal costs, and ongoing operating costs such as electricity and networking/subscription fees.

RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Clerk Administrator regarding remaining committee members for the Seniors and Persons with a Disability Services Advisory Committee be received, and</p> <p>That Council approves the appointment of the three individuals named in the report, and</p> <p>That Schedule A to By-Law 2022-57 be amended as such.</p>	

Background

At their meeting on December 7, 2023 Council considered appointments for local boards and committees. At that time, additional information was required for representatives for the Seniors and Persons with a Disability Services Advisory Committee (SAC) for the municipalities of Hilton and the Village of Hilton Beach as well as recommendations for the North Shore West representative.

Since then, recommendations have come from the respective Councils to add the following members to the SAC:

1. Township of Hilton – Barry Elliott
2. Village of Hilton Beach – Heather Whitley
3. North Shore West – Jean Rickaby

	SUBJECT:	By-Law Enforcement Office Certification
RECOMMENDATION:	BE IT RESOLVED THAT the report from the Clerk Administrator regarding certification of the current By-Law Enforcement Officer, and that Council approves staff to register for the Municipal Law Enforcement Officer course.	

Background

By-Law enforcement has been an issue within the municipality. In addition to making changes to existing by-laws and introducing the administrative penalties system in the future, employing a certified enforcement officer will certify the BLE under the Provincial Offices Act, allowing the issuance of fines/tickets. The course will also focus on key areas of the position, best practices, and the authority/powers of by-law enforcement officers.

The current BLE is also employed by the Village of Hilton Beach, which is willing to share the cost of the course \$675.00 + tax. (Split 75% - St. Joseph, 25% Hilton Beach based on population and usage).

Financial Implications

The municipality's cost for the course would be \$506.25 + HST, which would be included in the departmental budget for 2023.

Background

At their meeting on December 21, 2022 Council discussed the composition of the required Police services board. Staff was asked to acquire additional information and recommend that the Board be set up by geographic area with equal representation over the footprint to allow for coverage as well as a small overall board size.

The municipalities included in Board 1 are:

- The Townships of St. Joseph Tarbutt, Johnson, Jocelyn, Hilton, Plummer Additional, The Village of Hilton Beach, The Town of Bruce Mines, The Municipality of Huron Shores, and The Town of Thessalon.

After following up, clarification indicates that the board make up must include: one member of Council per municipality, as well as three Provincial Appointees, and a minimum of three community members. The Township will be responsible to appoint once Council member to the board, once it is set.

Elliott Lake has offered to administer the submission to the province for all local boards but requires a resolution from each municipality to move forward.

Financial Implications

There are no financial implications resulting from this report.

Summary

Council may approve the resolution as recommended or choose to propose a fourth board is added to the area.

	SUBJECT:	Tri-sport Tournament Event July 8 and 9, 2023
RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Community Projects Coordinator regarding the Tri-sport Tournament Event be received; and</p> <p>That council approves the draft budget and use of staff resources and Township Facilities for the Tri-sport Event July 8 and 9, 2023.</p>	

Background:

A member of the Recreation Committee, in consultation with staff proposes a new event to be held this summer at various Township sport facilities in Richards Landing. Please see the attached letter. The Tri-sport event would involve registered teams competing in three sports – Beach Volleyball, Slow Pitch Baseball, and Ball Hockey over a period of two days. Teams of 10-12 would pre-register for a fee that would support the expenses for the event as well as cash prizes for the tournament winning teams. The purpose of the event is to increase use of our municipal sports facilities, encourage new visitors to the area, and encourage physical activity and love of sport. The tournament occurs on the same weekend as the Go North Music Festival offering registrants the option of evening entertainment and the opportunity to take advantage of the campground.

The tournament would be promoted directly to a number of recreation leagues in the area. Volunteers will be required to assist with logistics and support for the event.

Financial Implications:

Staff support and a material budget for sand would need to be provided by the Township to create the volleyball court at the Centennial Grounds. The Recreation Committee has recommended the addition of this item to the Recreation Project budget for 2023. The intention of the event is to be fully self-funded, with any budget surpluses to be donated to the PSW Outreach program to support its services. The budget for the event is attached.

Options:

Council may approve staff to apply for funding or may defer or deny the request to apply for this funding.

The Township of St. Joseph
1669 Arthur St
Richards Landing, ON

Dear Council Members,

I am writing to request assistance and approval to commence an annual family friendly sports tournament to be hosted in Richards Landing. Sports and exercise have always been a large part of my life. As a nurse, I carry that passion forward advocating and caring for the health and wellness of patients. I would like to contribute to my community and provide a fun event which combines my love of sports with my passion for health and wellness. I see value in children watching their parents and adults being active and having fun making healthy choices. I believe that this could stimulate positive growth, bringing more tourism to local businesses and increase attendance to the Go North Music Festival.

Event Description: Tri-Sport Model (Baseball, Volleyball, Ball Hockey). Age of entry is 19+. Goal is to have 16 teams, (8 men's, 8 women's) with 10-12 players per team. Teams would compete by playing each sport twice to earn points. The top three teams in each division will win cash prizes. The event would take place July 8 & 9 weekend in partnership with the Go North Music Festival and will conclude with a Banquet style meal and awards ceremony at the Legion on Sunday. Profits will be donated to the local PSW Program which offers free home care services in our local area.

I would ask for use of Tranter Park to facilitate ball hockey with access to Canteen building for washrooms, first aid set-up and potential food vendor. I will also require use of baseball diamonds at Community grounds. I would ask for the townships financial support to establish an outdoor volleyball court(s) at the community grounds to be utilized in the tournament. I will also need the townships staff support to assist with advertising, registration, waivers and sponsorship packages. The township through the recreation committee would process all payment and finances related to the event.

There is a strong sense of community on St Joe's that makes me proud to call this my home. I ask for the opportunity to help our home thrive!

Sincerely,

Stacie Koch

RECEIVED JAN 03 2023

Mayor in Council

St. Joseph Township

Bonjour,

The purpose of this letter is two-fold.

FIRSTLY, to congratulate you on your electoral success. It is a healthy state for a municipality when dedicated residents like you are prepared to serve their community.

SECONDLY, most seniors who would like to continue living in their own homes find it difficult to keep their driveways clear in the winter, especially after the passage of the Township snow plow.

One reason for seniors to move to other housing is Not having to cut grass and shovel snow.

The problem is created by the Township, by necessity, and the solution rests in the hands of the Township.

The Solution: A small snow plow device follows the Township snow plow and plows out the snow obstruction. This could be done by a Township employee or contractor.

Prior to next winter seniors can apply to participate in the suggested project.

If the cost of providing the small plow and operator cannot be included in the works and snowplowing budget, then each of the benefitted seniors will be asked to contribute to the extra expense incurred by the Township. Payment by invoice or by addition to the municipal tax bill

If the proposed plan proves to be successful, residents other than seniors may be allowed to join in.

Please advise me of your opinion of the proposal, and any action undertaken.

Respectfully submitted.

Dear Head of Council:

Ontario's housing supply crisis is a problem which has been decades in the making. It will take both short-term strategies and long-term commitment from all levels of government, the private sector, and not-for-profits to drive change. Each entity will have to do their part to be part of the solution.

To help support this important priority, I am pleased to provide you with an update on recent legislative and regulatory changes our government has made to help get 1.5 million homes built over the next 10 years.

Bill 109, the *More Homes for Everyone Act, 2022*

Bill 109, the More Homes for Everyone Act, 2022, was introduced on March 30, 2022 and received Royal Assent on April 14, 2022.

As part of the government's More Homes for Everyone Plan, Schedule 5 of Bill 109 made changes to the Planning Act. Consequential changes were also made to the City of Toronto Act, 2006.

Most of the Planning Act changes are now in effect except for the zoning and site plan control fee refund provisions, which are due to come into force on January 1, 2023. However, I am committed to bringing forward legislation to delay the effective date of the fee refund changes from January 1, 2023 to July 1, 2023. These legislative changes would be introduced in the new year.

In the event that any fee refunds become due to applicants before these legislative changes are made, municipalities might consider not issuing refunds in the interim given my express commitment to introduce legislation that, if passed, would retroactively cancel the requirement.

You can find more information about Bill 109 on the Environmental Registry of Ontario ([019-5284](https://www.ero.gov.on.ca)), and the Ontario Legislative Assembly [website](https://www.ontario.ca/government).

Bill 23, More Homes Built Faster, 2022

Bill 23, the More Homes Built Faster Act, 2022, was introduced on October 25, 2022, and received Royal Assent on November 28, 2022.

To support More Homes Built Faster: Ontario's Housing Supply Action Plan: 2022–2023, Schedule 9 of Bill 23 made changes to the Planning Act. Schedule 1 of Bill 23 also made similar changes to the City of Toronto Act, 2006 related to site plan provisions. Schedule 3 of Bill 23 made changes to the Development Charges Act.

The planning-related and municipal development-related charges changes came into force on November 28, 2022, except for provisions related to removal of planning responsibilities from certain upper-tier municipalities, certain provisions related to parkland dedication, and exemptions from municipal development-related charges for affordable and attainable housing, which will come into force on a day in the future to be named by proclamation. Provisions related to Conservation Authorities will take effect January 1, 2023.

Bill 23 also made changes to legislation led by other ministries. Please see Appendix A for an overview of the effective dates of the Bill 23 changes by schedule.

You can find more information about Bill 23 on the Environmental Registry of Ontario ([019-6163](tel:019-6163)), and the Ontario Legislative Assembly [website](#).

Bill 3, the Strong Mayors, Building Homes Act, 2022 and Bill 39, the Better Municipal Governance Act, 2022

Bill 3, the Strong Mayors, Building Homes Act, 2022, was introduced on August 10, 2022, and received Royal Assent on September 8, 2022. Bill 3 and associated regulations ([O. Reg. 529/22](#) and [O. Reg. 530/22](#)) came into force on November 23, 2022.

Bill 39, the Better Municipal Governance Act, 2022, was introduced on November 16, 2022, and received Royal Assent on December 8, 2022. Bill 39, amendments to associated regulations ([O. Reg. 581/22](#) and [O. Reg. 583/22](#)), and additional regulations to prescribe provincial priorities ([O. Reg. 580/22](#) and [O. Reg. 582/22](#)) came into force on December 20, 2022. Additional details can be found in Appendix B and on the Ontario Legislative Assembly's website ([Bill 3](#) and [Bill 39](#)).

Sincerely,

Steve Clark
Minister

Effective Dates for Bill 23, the More Homes Built Faster Act, 2022

Schedule	Effective Date
Schedule 1: City of Toronto Act, 2006	<p>All of the changes in Schedule 1 (City of Toronto Act) came into force on the day the bill received Royal Assent.</p> <p>Note: The legislative changes to the City of Toronto Act include amendments that give the Minister of Municipal Affairs and Housing authority to make regulations imposing limits and conditions on how municipalities can regulate the demolition and conversion of residential rental properties of six units or more. No regulations have been made at this time.</p>
Schedule 2: Conservation Authorities Act	<p>Changes in Schedule 2 (Conservation Authorities Act) came into force the day the bill received Royal Assent, except for:</p> <ul style="list-style-type: none"> On January 1, sections related to streamlining disposition of lands for CAs comes into force which would allow CAs to sell or lease land without Minister's approval provided they follow rules around public consultation and notifications. Also on January 1, sections that enable the Minister's ability to issue direction to freeze fees and ability to scope CA commenting on development applications and land use planning policies through regulation, would come into force but only have effect when the Minister issues direction on fees or if a regulation prescribing Act under which CA commenting roles is restricted is made. Changes related to CA permitting (including removal of "conservation of land" and "pollution", adding "unstable soil and bedrock", regulation making powers to exempt development from a CA permit where it has been authorized under the Planning Act, etc.) take effect on a later date (upon proclamation) once a new regulation under Section 28 of the CA Act is in effect. MNRF continues to consult on that regulation through the Environmental Registry (#019-2927).
Schedule 3: Development Charges Act, 1997	<p>All of the changes in Schedule 3 (Development Charges Act) came into force on the day the bill received Royal Assent, with the exception of provisions relating to development charge exemptions for affordable and attainable housing units, which would take effect upon proclamation.</p>
Schedule 4: Municipal Act, 2001	<p>All of the changes in Schedule 4 (Municipal Act) came into force on the day the bill received Royal Assent.</p> <p>Note: The legislative changes to the Municipal Act give the Minister of Municipal Affairs and Housing authority to make regulations imposing limits and conditions on how municipalities can regulate the demolition and conversion of residential rental properties of six units or more. No regulations have been made at this time.</p>
Schedule 5: New Home Construction Licensing Act, 2017	<p>Many of the amendments in Schedule 5 (New Home Construction Licensing Act) came into force on the day the bill received Royal Assent.</p> <p>The amendments regarding the maximum fine that a court may impose for a subsequent conviction, as well as most of the amendments related</p>

Schedule	Effective Date
<p>Schedule 6: Ontario Heritage Act</p>	<p>to administrative penalties, will come into force on February 1, 2023.</p> <p>Most of the amendments to the Ontario Heritage Act (OHA) made through the bill will be proclaimed into force on January 1, 2023. These include:</p> <ul style="list-style-type: none"> • The new authorities under Part III.1 of the Act that relate to the Standards and Guidelines for Conservation of Provincial Heritage Properties. • Most of the changes to procedures related to municipal registers, including the process and requirements around inclusion of non-designated properties on the municipal registers. However, the requirement for municipalities to make their municipal registers available on a publicly accessible website will not come into force until July 1, 2023 to provide municipalities with time to ensure compliance. • Limiting the ability to issue a Notice of Intention to Designate a property subject to a prescribed event to only those properties included on a municipal register. • The authority to prescribe criteria for determining cultural heritage value or interest for the purposes of including non-designated properties on the municipal register and designating a Heritage Conservation District (HCD). • The authority to set out processes to amend and repeal HCD bylaw in regulation. Note, the Ministry of Citizenship and Multiculturalism will consult on the development of these processes to be set out in regulation in 2023. <p>Regulatory amendments to O.Reg. 9/06: Criteria for Determining Cultural Heritage Value or Interest will also come into force on January 1, 2023. These changes establish that non-designated properties included on a register must meet one or more of the criteria outlined in the regulation, and that individual properties and HCDs must meet two or more of the criteria included in the regulation in order to be designated. The regulation also includes transitional provisions to address matters underway at the time of the changes coming into force.</p> <p>The outstanding amendments to the OHA made through Bill 108, the More Homes, More Choice Act, 2019, will also be proclaimed into force on January 1, 2023. The amendments speak specifically to the demolition or removal of an attribute that is not a building or structure within an HCD.</p> <p>Regulatory amendments to O.Reg. 358/21: General will come into force on January 1, 2023. These amendments include consequential housekeeping amendments and transition provisions related to the above legislative amendments coming into force.</p> <p>Bill 23 included some minor housekeeping amendments to the OHA that came into force upon Royal Assent. These included repealing the alternative definition of “alter”.</p>
<p>Schedule 7: Ontario Land Tribunal Act, 2001</p>	<p>The changes in Schedule 7 (More Homes Built Faster Act, 2022) will come into force on proclamation.</p>

Schedule	Effective Date
Schedule 8: Ontario Underground Infrastructure Notification System Act, 2012	The changes in Schedule 8 (Ontario Underground Infrastructure Notification System Act, 2012) came into force on the day the bill received Royal Assent.
Schedule 9: Planning Act	<p>The changes in Schedule 9 (Planning Act) all came into force on the day the bill received Royal Assent, with the following exceptions:</p> <ul style="list-style-type: none"> • provisions related to removal of planning responsibilities from certain upper-tier municipalities, which would come into force on a day to be named by proclamation. • provisions related to the exemption of community benefits charge and parkland dedication requirements for affordable and attainable housing units • provisions related encumbered land to be conveyed to municipalities by developers for park or other recreational purposes • provisions related to Conservation Authorities (linked to the changes in Schedule 2) will take effect January 1, 2023
Schedule 10: Supporting Growth and Housing in York and Durham Regions Act, 2022	<p>Except as otherwise provided, the Act set out in Schedule 10 came into force on the day bill received Royal Assent.</p> <ul style="list-style-type: none"> • Sections 7 to 10, subsection 11 (5) and section 14 come into force on a day to be named by proclamation of the Lieutenant Governor. Once in force, these sections will require a prescribed municipality to develop, construct, and operate the Lake Simcoe phosphorus reduction project and allow the Ontario Clean Water Agency to undertake some or all of that project if ordered to do so by the Lieutenant Governor in Council. The project will also be exempt from the Environmental Assessment Act. • Subsection 85 (1) comes into force on the later of the day subsection 44 (1) of this Act comes into force and the day section 2 of Schedule 5 to the Accelerating Access to Justice Act, 2021 comes into force. Subsection 85 (1) makes consequential changes to the Act arising out of changes to the Expropriations Act in respect of alternative hearings processes. • Subsection 85 (2) comes into force on the later of the day section 61 of this Act comes into force and the day section 42 of Schedule 4 to the Comprehensive Ontario Police Services Act, 2019 comes into force. Subsection 85 (2) makes consequential changes to the Act arising out of the Comprehensive Ontario Police Services Act, 2019 consistent with other Ministry of the Environment, Conservation and Parks legislation. The change would allow a person undertaking an inspection to obtain the assistance of the local police force rather than the Ontario Provincial Police Force.

Appendix B

Bill 3, the Strong Mayors, Building Homes Act, 2022 and Bill 39, the Better Municipal Governance Act, 2022

As a result of Bills 3 and 39, changes were made to the Municipal Act, 2001, City of Toronto Act, 2006 and the Municipal Conflict of Interest Act, and regulations were established to give the mayors in Toronto and Ottawa strong mayor powers to help advance shared provincial-municipal priorities, including building new homes. These powers include:

- Choosing to appoint the municipality's chief administrative officer,
- Hiring certain municipal department heads, and establish and re-organize departments,
- Creating committees of council, assigning their functions and appointing the Chairs and Vice-Chairs of committees of council, and
- Proposing the municipal budget, subject to council amendments and a head of council veto and council override process.

The mayors of Toronto and Ottawa can also use strong mayor powers related to provincial priorities. These include:

- Vetoing certain by-laws if the mayor is of the opinion that all or part of the by-law could potentially interfere with a provincial priority,
- Bringing forward matters for council consideration if the mayor is of the opinion that considering the matter could potentially advance a provincial priority, and
- Proposing certain municipal by-laws if the mayor is of the opinion that the proposed by-law could potentially advance a provincial priority. Council can pass these by-laws if more than one-third of council members vote in favour.

The provincial priorities for the purposes of strong mayor powers are prescribed in O. Reg. 580/22 and O. Reg. 582/22 and they are:

1. Building 1.5 million new residential units by December 31, 2031.
2. Constructing and maintaining infrastructure to support housing, including, transit, roads, utilities, and servicing.

**A BY-LAW TO PROVIDE FOR AN INTERIM TAX LEVY
FOR THE YEAR 2023**

WHEREAS Section 317(1) of the Municipal Act, 2001, as amended, provides that a local municipality may, before the adoption of the estimates for the year, pass a by-law levying amounts on the assessment of property in the local municipality rateable for local municipality purposes; and

WHEREAS the Council of the Corporation of The Township of St. Joseph deems it desirous and expedient to impose an interim levy for the year 2023; and

NOWHEREFORE the Council of the Corporation of The Township of St. Joseph enacts as follows:

1. Interim tax levies for the year 2023 shall be imposed and levied on the whole of the assessment for real property in all property classes, according to the last revised assessment roll, an amount equal to 50 per cent of the sum that would be produced by applying the total 2022 tax rate for the subject property class.
2. Notwithstanding the provisions of Section 1 of this By-law, the amount levied on a property shall not exceed 50 percent of the total amount of taxes for municipal and school purposes levied on the property for the previous year.
3. The 2023 interim tax levy shall become due and payable on February 28, 2023.
4. Any interim tax levy, or portion thereof, which is in default with the stated due date shall be subject to a penalty charge of 1¼% on the first day of default and on the first day of each month thereafter in the current year unless sooner paid.
5. All taxes remaining unpaid after the end of the current year shall have interest added at the rate of 1¼% per month, for each month or fraction thereof in which the arrears continue.
6. Taxes are payable to The Township of St. Joseph Municipal Office at Richards Landing, Ontario and payment shall only be accepted in CANADIAN FUNDS.
