	Report To Council	
	FROM:	Sherie Gladu, Community Projects Coordinator
	DATE:	November 20, 2024
	SUBJECT:	Fire Marshal's Public Fire Safety Council (FMPFSC) Training Grant
RECOMMENDATION:	<p>BE IT RESOLVED THAT the report from the Community Projects Coordinator regarding the Fire Marshal's Public Fire Safety Council (FMPFSC) Training Grant be received; and</p> <p>That Council authorizes staff to apply for the FMPFSC grant to fund textbook purchases for Firefighter training purposes.</p>	

Background:

The application is open to Ontario fire departments who are unable to staff a full time truck and have less than 75 firefighters on staff. Eligible departments will have to demonstrate a financial need to support training and certification for their members required by their municipalities and the level of fire protection service set. The grant funding is being supplied solely by the FMPFSC and administered through their Distribution Centre without cost or profit. This is the third year of funding for this program. The application period is from Nov 12th to November 29th, 2024.

Financial Implications:

There is no cost to the Township, as the textbooks are fully funded by the FMPFSC.

Summary

Council may authorize staff to apply for funding from the FMPFSC for textbooks, defer or deny the request or consider other options.
